Unit 8 Resources:

Chapter 2
Animation: Acids and Bases

Chapter 22
Animation: Regulation of Ventilation - Basic Rhythms
Animation: Control of Ventilation Rate and Blood Chemistry
Animation: Regulation of Ventilation
Animation Activity Sheet: Regulation of Ventilation

Chapter 24
Animation: Water and Fluid Flow
Animation: Water Homeostasis
Animation Activity Sheet: Water Homeostasis
Homeostatic Imbalance: The Case of the Man with the Swollen Kidneys
Homeostatic Imbalance: The Case of the Thirsty Woman
Concepts and Connections: Mechanisms of Blood pH Balance
Concepts and Connections: Respiratory System Regulation of pH
Concepts and Connections: Urinary System Regulation of pH

Unit 9 Resources:

Chapter 25
Anatomy Overview: The Reproductive System Overview
Anatomy Overview: The Reproductive System Histology
Animation: Spermatogenesis
Animation: Hormonal Control of Male Reproduction
Anatomy Overview: The Reproductive System Overview
Animation: Oogenesis
Animation: Hormonal Control of Female Reproduction
Cadaver Video: The Reproductive Systems
Animation Activity Sheet: Gametogenesis
Animation Activity Sheet: Hormonal Growth of Male Reproductive Function
Animation Activity Sheet: Hormonal Control of Female Reproduction
Real Anatomy Activity Sheet: Male Reproductive Anatomy
Real Anatomy Activity Sheet: Male Reproductive Physiology
Real Anatomy Activity Sheet: Female Reproductive Anatomy
Real Anatomy Activity Sheet: Female Reproductive Physiology

Unit 10 Resources:

Chapter 25
Animation: Fertilization
Animation: Embryonic and Fetal Development
Animation: Hormonal Control of Pregnancy
Animation: Regulation of Labor and Birth
Animation: Regulation of Lactation
Anatomy Overview Activity Sheet: Developmental Stages Overview
Animation Activity Sheet: Hormonal Regulation of Pregnancy and Childbirth
